HIRE OSHA-10 TRAINED TALENT

Safety-Aware • Workplace-Ready • Ready to Contribute.

VALUE TO EMPLOYERS

OSHA -10 trained candidates bring essential safety knowledge, a stronger work ethic, and a readiness to contribute from day one. They understand how to work safely, follow procedures, and recognize workplace hazards: helping you build a safer, more productive team.

BENEFITS TO YOUR BUSINESS

SAFER WORKPLACES
Fewer incidents and a stronger safety culture.

MORE PREPARED HIRES
Candidates arrive with foundational safety training.

HIGHER RETENTION
Safety-aware employees are more engaged and more likely to stay.

GREATER PRODUCTIVITY
Confident, informed workers contribute sooner.

OSHA-10 CANDIDATES KNOW ...

- How to identify and avoid common workplace hazards
- Proper use of personal protective equipment (PPE)
- Basic safety rules and emergency procedures
- Their rights and responsibilities on the job
- The importance of a safe and healthy work environment

THE EMPLOYER TAKEAWAY

OSHA 10-trained candidates help you reduce risk, improve productivity, and build a stronger, safer workforce.

RTMA WORKFORCE DEVELOPMENT

RTMA connects local talent with in-demand skills through industry-recognized training, including OSHA 10, to help build a stronger manufacturing workforce in our region.

TRAINING PATHWAYS

OSHA 10 is one of several training pathways offered through RTMA to prepare candidates for successful careers in manufacturing.
