

JAMES M. NIEBOER SCHOLARSHIP FUND

Donor Information: This scholarship was established in 1993 by the Rochester Tooling and Machining Institute, Inc. to encourage students to engage in the metal working industry.

Purpose of Scholarship: For students enrolled in metal working industry related curricula at accredited community, junior or technical post-secondary institutions.

Number and Size of Awards: Number and size of awards varies.

Allowed Use of Award: Expenses associated with higher education.

Eligibility Criteria: Student must be a high school or GED graduate with satisfactory performance in the prerequisites for the chosen field.

Application Process: The application process is coordinated through Rochester Technology and Manufacturing Association, 2485 West Henrietta Rd., Suite 152, Rochester, NY 14623. Call (585) 292-3760 for an application and further details. Applications are due 3 weeks before each semester (Fall and Spring).

Committee/Selection Process: A committee comprised of two RTMA members and three MCC faculty member's reviews applications, selects scholarship recipients, and notifies the Community Foundation.

Award Announcement and Payment: Award letters are sent by RTMA to the students and payment is made from the Community Foundation to RTMA for disbursement to the students' accounts.

Renewability: This award is not automatically renewable; students may reapply each semester.

Other: This award is not transferable. If for any reason the recipient does not attend classes for the semester in which s/he receives the award, or if the class or classes are cancelled, the Community Foundation must be notified and the award returned. The recipient may reapply for future tuition assistance.
