

## The Empire State Technology & Manufacturing Workers' Compensation Program

The value of our workers' compensation program really adds up.

The Empire State Technology and Manufacturing Workers' Compensation Program through the Rochester Technology and Manufacturing Association (RTMA) is designed to give members the best-price solutions available to manufacturing companies. This is a fully insured program with typical discounts of 25-30% and possible dividends. It also boasts:

- Consistently lower premiums for nearly 20 years
- Superior claims management service
- Safety resources
- Safety video catalog
- Review of proper workers' compensation classifications
- Verification of experience modification calculations
- Favorable cash flow payment plans
- Fully insured program with individual policies.
- No management fees

### Workers' compensation specialty

USI is actively involved in workers' compensation reform and we are continually dedicating ourselves to find ways to reduce costs while raising safety standards. Our mission is to help you keep your employees healthy and on the job.

### About USI

USI is one of the largest insurance brokerage and consulting firms in the world, delivering property and casualty, employee benefits, personal risk and retirement solutions to large risk management clients, middle market companies, smaller firms and individuals. Headquartered in Valhalla, New York, USI connects together over 6,000 industry leading professionals across more than 150 offices to serve clients' local, national and international needs. USI has become a premier insurance brokerage and consulting firm by leveraging the USI ONE Advantage®, an interactive platform that integrates proprietary and innovative client solutions, networked local resources and enterprise-wide collaboration to deliver customized results with positive, bottom line impact. USI attracts best-in-class industry talent with a long history of deep and continuing investment in our local communities. For more information, visit [usi.com](http://usi.com).
